HORSHAM,  
RH12 1RL

Dear Sir or Madam,

**Ref: Planning application DC/13/1265 : Development of approximately 75 dwellings including the creation of an access point from Water Lane. Provision of open space including children's play area, linear park, landscaping and sustainable urban drainage systems on the site (Outline)**

I am writing to you to voice my opposition to the outline plan for the development of 75 homes off Water Lane in Storrington.

The village of Storrington does not have the capacity of schools, doctor and dentist surgeries, or roads to sustain this level of growth. The area in question is already liable to flooding and the air pollution in the village already breaches European and UK regulations. This unsustainable development will further destroy our rural downs village.

In addition, I object because

Yours faithfully,
